Schedule of Recitations

First Semester, 1934-35

Chapel is held in Metropolitan Memorial Church at 10:00 o'clock on Wednesdays. Attendance is required.

Courses are numbered to indicate their place in the four-year program of studies. As a rule, only courses numbered below 200 (except language courses) are open to freshmen; only those numbered below 300 (except language courses) are open to sophomores; those numbered above 300 are designed for juniors and seniors. Seniors taking courses in the 100 group will receive one hour less credit than those courses normally carry.

The figure in parenthesis following a course number indicates the semester credit given for that course. The College reserves the right to withdraw any course for which fewer than four students have registered.

Courses bearing double numbers, like English 101-102, must be continued through the year.

The hours and days of classes are indicated in the following chart. The periods of recitation are designated by figures 1, 2, 3, 4, etc.

Courses marked with a star (*) are offered at the downtown center, 1901-1907 F Street N.W.
